

# Reading @ Home

Supporting children's reading at home

There are lots of available to parents as they support their child's learning and literacy at home.

## ONLINE RESOURCES

Join your local library, in-person or online, to get access to eBooks, eAudiobooks, eMagazines and eNewspapers via [BorrowBox](#), [PressReader](#) and more.....

## TOP READING TIPS

- Start young.
- Encourage all reading i.e. graphic novels, talking books.
- Remember, reading for information supports your child's curiosity in the world around them.
- Let your child catch YOU reading!
- Chat to your child about what they are reading.
- Read together.
- Visit your local library.

## ABERDEEN READS

Aberdeen Reads is our year round programme of events and initiatives - e.g. Book Week Scotland - aimed at keeping Aberdeen City residents reading for pleasure.

Visit one of our community libraries with your child and learn about all of the fantastic books and services you can access for free.

Check out the [Aberdeen City Libraries](#) website for information about our services.

## BOOKBUG - P1

Each November, P1 pupils will be gifted The Bookbug Primary 1 Family Bag. The bags contain the three shortlisted titles for the Bookbug Picture Book Prize, encouraging families to participate in the award.

Youngsters with Additional Support Needs may benefit from [CALL Scotland](#)'s digital copies of the books and symbol resources.

Shared or paired reading is a great way to get the most out of the P1 Family Bag.

## UPCOMING EVENTS

15 - 21 November - Book Week Scotland
