Greenbrae Nursery

# Greenbrae Curriculum

Together we believe, together we achieve

## Context:

Greenbrae is a two-storey co-educational, non-denominational school which is situated in the Bridge of Don. The catchment area is a mixture of local authority housing, rented accommodation and private developments.

At Greenbrae, we strive for our pupils to develop skills and the capabilities as lifelong learners linked to the four capacities of Curriculum for Excellence:

- Successful Learners
- Responsible Citizens
- Effective Contributors
- Confident Individuals

Our parents, partners and pupils are encouraged to participate in the life and work of the school and many opportunities have been created for all to become actively involved in the school's improvement priorities.

We value innovative and creative teaching approaches to meet the needs of all learners within our care.

Create a welcoming, secure and nurturing environment where every child has full access to their rights.

Through sustainable learning experience, discover our world and how to best take care of it.

Consistently provide innovative and stimulating approaches to learning and teaching.

Celebrate the social and cultural diversity within our school.

Promote positive relationships and mutual respect throughout our school and wider community.

The school community is a welcoming and motivational environment where the pupils' voice is listened to.

Celebrate achievement and allow every child to feel included and valued.

Nurture the skills and attributes learners need to respond to the challenges of a rapidly evolving world.
