

2018/19 PLAYER OPPORTUNITIES

Due to planned expansion, our U-8s Girls squad for 2026 has an opportunity for 1 or 2 girls to join the existing squad of energetic and fun-loving girls.

The girls are getting ready for the 2026 season and training starts now to ready the team. We have a great mix of girls who are all very welcoming to new faces!

- We will play in an all girls festival format
- Training in Dyce once a week
- We'll play festivals on a Sunday at AFC's Cormack Park
- Our coaches are SFA qualified, PVG checked and First Aid trained.

If you have a daughter, relative or know a girl that was born 2018 or 2019 who wants to start their football journey, we'd love to hear from you!
